Model United Nations (MUN), is a student-driven educational simulation in which students learn about diplomacy, international relations, and the United Nations based on current and relevant international issues . MUN involves and teaches research, public speaking, debating, and writing skills, in addition to critical thinking, teamwork, and leadership. Brent MUN hosts an annual conference to teach these skills to local schools as a training exercise and then attends a larger MUN conference with these schools in Manila in the fall at the World Health Organization . In second semester selected delegates are sent to Beijing to compete against other APAC schools in writing and debating resolutions using Parliamentary procedures)and winning superlatives like "Best Looking Delegate" or "Delegate Most Likely to Rule the World"). Come join us for an engaging way to be a better global citizen.
