## Activities Office

Hi Seniors,

Despite the chaos that grips our country and the world right now, we wanted to honor you, OUR SENIORS: The Class of 2020!

This was not the way your last half-year was supposed to be.

You were supposed to spend countless hours training, and countless hours rehearsing on the field, the court, on the stage, in the pool and behind the podium.

- 🦁 You were supposed to score baskets, score runs and make goals.
- 🦁 You were supposed to win. And maybe you were supposed to lose. (Maybe NOT!)
- 🦁 You were supposed to play music and orate.
- 🦁 You were supposed to dance and act and learn.
- 🦁 You were supposed to smash and serve.
- 🦁 You were supposed to run like the wind: setting records
- 🦁 You were supposed to cut through the Brent pool waters.
- 🦁 You were supposed to be the best you could be while having fun.
- 🦁 You were supposed to bond with your teammates.
- 🦁 You were supposed to create memories.

Maybe the blessing here is to cherish every moment!

Even if you were robbed of activities during the last half of your senior year, you have so many memories from your earlier years to last a lifetime, and to be proud of. We are proud of you and we will never forget you.

Hang on to those memories! No protest, volcano or virus can ever take those away from you.

This may have been the last time for you to wear an official Brent jersey but know that you will ALWAYS be a BRENT LION!

Thanks,  
Coach K
